

Checklist for Practical Instruction

In order to help maintain the safety and health of everyone on our campuses, we have created the following COVID-19 Protocol Checklist for all Practical Instruction.

Please review this checklist before and after conducting in-person instruction on campus.

If you have any questions about this checklist or MaKAMI's COVID protocols, please contact Tammie at thermosura@makamicollege.com.

- ◇ A face mask must be worn at all times while on campus.
- ◇ Wipe down workstations before and after use with disinfectant each and every time you use them.
- ◇ Inspect tables, pillows, bolsters and face cradles for any rips or tears and replace if any are found.
- ◇ Stock every station with disinfectant and ensure hand sanitizer is available at the door of the classroom.
- ◇ Wear clean scrubs at all times with closed-toe shoes and an appropriate face-mask or shield. Loose hair needs to be pulled back.
- ◇ Maintain proper hand-hygiene by washing or sanitizing frequently.
- ◇ Check student workstations before they leave to ensure garbage is cleaned up and station has been properly sanitized.
- ◇ Avoid shaking hands and other physical contact with students and staff.
- ◇ Maintain 2m of physical distance and limit all close-contacts. Avoid gathering in groups at all times.
- ◇ Do not use water fountains, fridges, and other high-contact surfaces around campus.
- ◇ Be aware of contact with others as this could determine if you are a close contact. This is a person that has spent 15 min or more of cumulative time with someone that has tested positive for COVID-19. This includes direct contact with bodily fluids, provide direct care for a person with COVID-19, and/or had physical contact such as a handshake, hugging, etc. If deemed a close contact you may be required by AHS to quarantine depending on your vaccination status.

If you notice someone is symptomatic, contact security, OH&S, or the Facility/Operations Manager. The person will be taken to the rapid illness response room and a report will be completed.
