

## REGISTERED MASSAGE THERAPIST

Are you a registered massage therapist in Edmonton looking to grow your business? Do you want to join our dynamic interdisciplinary team to further your career and enhance practice?

**FUEL Pain & Injury Recovery Clinic wants you!**

We strive to treat the cause(s) not just the symptom of pain. Collaborating with a wide assortment of modalities and specialists in their fields, we strive to take recovery to a new level.

Setting FUEL apart from other clinics and providers is... you!

What does that mean for you? It means you can help create an experience using a range of techniques and disciplines to collaboratively create protocols to address pain and injury in our clients so they can live their best life. We are seeking a skilled and compassionate **registered massage therapist** to join our team. You will play a pivotal role in providing holistic healthcare services to our patients. You will utilize your expertise in soft tissue manipulation techniques and understanding of rehabilitation exercise therapy to assess, and treat various health conditions, with a focus on promoting overall wellness and maintaining a healthy balance.

We offer a state of the art facility with the top professionals in their fields. In addition to competitive wages, a positive workplace and turn key facility, you will have an opportunity to collaborate across multiple disciplines to create a unique and specialized approach to patient care.

What *you* can expect as part of your role:

- Administer massage therapy assessments and treatments to address patient concerns.
- Educate patients about the principles and benefits of massage therapy, lifestyle modifications, and self-care practices to support their treatment plan and healing journey.
- Collaborate with other providers to incorporate their modalities to coordinate patient care and optimize and integrate treatment outcomes.
- Maintain accurate and detailed records, including patient assessments, treatment plans, and progress notes.
- Participate in creating online content for the website and social media.

What *you* bring to the team:

- Diploma in Massage Therapy (2200 hours) from an accredited institution.
- Valid practitioner licence and in good standing with an accredited and recognized association and professional liability insurance.
- Strong knowledge of anatomy, physiology, exercise/rehabilitation and experience with various conditions and treatment techniques.
- Excellent communication and interpersonal skills, with a compassionate and patient-centered approach to care.
- Strong organizational skills and attention to detail. Maintain accurate patient records.
- Ability to work collaboratively, desire to grow as part of an interdisciplinary healthcare team.
- Stay informed about the latest research, developments, and best practices through continuing education and professional development activities.
- First aid certification and criminal record check required.

If you are passionate about helping patients address their pain and achieve optimal health and wellness, we encourage you to apply for this exciting opportunity. Please submit your resume and a cover letter to Brandon at [hello@fuelclinedmonton.com](mailto:hello@fuelclinedmonton.com). We thank all applicants for their interest; however, only those selected for an interview will be contacted.
