

Advanced Clinical Massage Therapy

MaKami College offers the highest level of massage therapy training in Alberta, Canada.

We are a publicly funded, not-for-profit independent academic institution located in Canada. We are included in the Government of Canada's List of Designated Learning Institutions.

About the Program

At 3,000 hours, MaKami College offers the highest level of massage therapy training you can receive in Alberta. In just 18 months you can become a licensed Registered Massage Therapist (RMT), with plenty of real-life work experience!

Your program includes a mix of online and in-class learning. The curriculum blends hands-on instruction, theory classes, cutting-edge research and work placement opportunities.

Master the hard and soft skills you will require to provide advanced massage therapy treatments and thrive in the massage therapy industry.

Mature Admission

Applicants who do not meet the standard admission requirements, including homeschool applicants, may be considered through a mature admission pathway.

Eligibility:

- Minimum 18 years of age, and
- Demonstrated readiness for post-secondary study through meeting one or more of the following:
 - Admission interview with the institution
 - Relevant work or volunteer experience
 - Successful completion of a MaKami College approved entrance equivalency exam
 - Completion of post-secondary studies or continuing education, including certificates, diplomas, or degrees.
 - If the credentials are from outside Canada, the International Qualifications Assessment Service (IQAS) may be accepted to determine equivalencies.

Additional Considerations

- Each application is reviewed holistically, recognizing formal education, experiential learning, and demonstrated competencies.
- Mature Admission decisions are based on academic readiness, professional experience, and learner potential, not solely on traditional credentials.
 - Credit transfer eligibility
 - Institutional approval

For additional information please check your International Student Package.
